

Planning and Advanced Reservation of Capacity (PARCA)

NOTICE: OPENING OF A PARCA WINDOW

31.03.2015

Dear all,

In accordance with the UNC (TPD B 1.16)", National Grid hereby publishes this notice to all interested industry parties following the receipt of a technically competent PARCA Application, that a PARCA window will be opened on the 31st March 2015 to enable those parties who are interested in applying for a PARCA to submit their applications during this time.

Application summary:-

The geographical area of the project is North West of the NTS (Zone 2 in section 4.2 of the 2015 Gas Ten Year Statement).

The indicative range of the NTS exit capacity applied for is 84,000,000 KWh/day

The indicative capacity reservation date is June 2015

The indicative capacity registration date is October 2018

The PARCA window will be opened for a maximum of 40 consecutive business days from the 31st March 2015, closing on the 28th May 2015, but if in the event after 20 consecutive business days no further PARCA applications have been received, the window will be closed.

Should you wish to discuss the opening of the PARCA window further please refer to the list of contacts below or you can download our PARCA customer guide which can be found by using the link below:
